Dear Neighbour,

Re: Landscaping of ...address of Client.....

May we introduce ourselves; we are Block and Stone, your local Landscape Garden Design & Construction business specialising in Resin Bound Aggregate surfacing. **We should like to advise that we start work on /started work, this morning (usually it is from 8.00am) to reconstruct the [rear / front garden / patio] of 1...address of Client..., and we expect to complete the Works towards the end of the following week (weather permitting).** We do not work over the weekend unless absolutely necessary.

During our construction Works, there will be some disturbance caused by intermittent noisy machinery, some lorry deliveries, parking of a company vehicle and stockpiling of products.

It is our policy to keep any such disturbance or inconvenience to neighbours to an absolute minimum. However, should you have any issues or concerns we are always ready to discuss arrangements and ensure a caring harmonious relationship.
